RE: **EX PARTE PRESENTATION**
Misuse of Internet Protocol (IP) Captioned Telephone Service;
Telecommunications Relay Services and Speech-to-Speech Services for
Individuals with Hearing and Speech Disabilities
CG Docket Nos. 13-24, 03-123

Dear Ms. Dortch:

On September 10, 2018, Dixie Ziegler, Vice President of Hamilton Relay, Inc. (“Hamilton”), participated in a panel discussion at a conference of the National Association for State Relay Administration (“NASRA”) in Bloomington, Minnesota. Michael Scott of the Commission’s Consumer and Governmental Affairs Bureau was in attendance at this widely attended event.

It is Hamilton’s understanding that NASRA will be submitting a copy of the panel transcript into the TRS dockets at a later date; out of an abundance of caution, however, Hamilton is submitting this notice within the timeframe set forth in the Commission’s rules.¹ During the panel presentation, Ms. Ziegler gave remarks that were consistent with Hamilton’s previous filings in the above-captioned dockets.

¹ 47 C.F.R. § 1.1206(b)(2)(iii).
